Re: BPU/PSE&G/Vegetation Management

Dear Mr. Richter:

On behalf of Bridgewater Township, I hereby request that vegetation management, now scheduled to be conducted in Bridgewater Township beginning February 2, 2008, be delayed until the BPU has adopted the proposed regulations concerning vegetation management.

The intent of rescheduling and prior postponements of the management program, to which Bridgewater Township and PSE&G reached agreement in the past, was, I believe, an explicit acknowledgment by Bridgewater Township and PSE&G that such regulations regarding vegetation management would be adopted and implemented before vegetation management proceeded in Bridgewater Township.

Bridgewater Township appreciates the spirit of cooperation exhibited by PSE&G in delaying the management program. Bridgewater Township requests that the same spirit of cooperation continue until the regulations are adopted.

Sincerely,

Patricia Flannery
Mayor
